The Church of the Mordinsammen has only come into being in the last 10 years since the successful union between Clan Rockhammer and the High Roads Trading Company. Buried deep within the Lortmil Mountains, about a two-day journey from Valkurl, lies this small yet strong Clan of Moradin worshippers. They have been the main source of where Veluna receives its ore and precious metals to make the finely crafted weapons that its Knights and Guardsmen use. Bralstan Rockhammer, a devout priest of Moradin, decided on behalf of his Clan leader, Agathorn Rockhammer, to build a Temple in Valkurl after the city was besieged by forces from the Temple of Elemental Evil. King Agathorn felt it would be in good faith to have Moradin in place to protect the city from future attacks and this was his way of lending aid.

Requirements to become a Clan Brother:

- Resident of Veluna
- Race: Dwarf
- Must worship Moradin, Berronar Truesilver, Clangeddin Silverbeard, or Muamman Duathal
- At least three levels of Cleric or Paladin (levels of cleric and paladin stack for this purpose)

Benefits of Membership:

- May claim sanctuary in any temple of a dwarven religion in Veluna
- A Clan Brother is considered to be Class 1 for determining cost and eligibility for spells from a temple or priest of a dwarven religion in Veluna.
- A Clan Brother gains 3 Influence points with the Church of the Mordinsammen while in region.
- A Clan Brother gains a +2 bonus to Diplomacy checks with dwarves.
- A Clan Brother gains a +1 bonus to Diplomacy checks when dealing with the citizens of Valkurl.
- The above bonuses shall not apply if the Clan Brother is not wearing his holy vestments (the symbol of his deity must be obvious). At the same time, this can cause negative reactions with opposed religions or evil dwarves and is subject to modification per the module.
- Upon attaining the rank of Clan Brother, the PC is awarded a Signature Crest (RS).
- Access to purchase the following items at normal price: Focusing Candle (CA), Gravebane (AE), Priest's Bullet (LM), Restful Candle (AE)
- 50% discount on standard lifestyle upkeep while in region.
- PC may use the honorific "Brother" or "Sister", and is considered a Godi of their deity, declaring themselves as such when announcing their name.
- A Clan Brother has access to the following racial substitution levels (all from *Races of Stone*): Dwarf Cleric (1st and 3rd levels only)
- **Special:** A Clan Brother with at least 7 levels of paladin may petition the church for a special dispensation. Upon completion of a special ritual (costing the PC an additional 100 GP and 2 TUs), the paladin is granted the ability to summon a dire boar as his special mount (instead of a warhorse or warpony). This ritual must be performed annually, with the gold and TU costs paid at the start of each year (when the meta-org cert is renewed). The paladin is treated as two levels lower than normal for the purpose of determining the mount's special abilities (bonus HD, natural armor bonus, etc.), but the creature otherwise follows the normal advancement rules for a paladin's Special Mount class ability.

NOTE: All bonuses granted by meta-orgs are considered Circumstance bonuses which do not stack with bonuses granted by other meta-orgs (unless otherwise specified). See the latest edition of the VMCS for additional rules regarding this and other meta-organizations.

This AR does not count when determining Adventure, Regional, Metaregional, or Core access.
