The Veluna Organization of Performance Arts (VOPA) is headquartered at the Veluna National Theater located in Mitrik. More than just a theater, it houses an entire university for the study of the performance arts. The purpose of the school is to help students learn their art; introduce new techniques; pass on news, tales, and legends; and provide performance opportunities. While Mitrik plays host as the largest hub of activities, Devarnish and Veluna City have roles as well, with branch campuses, theaters, and some administrative offices. Subsidiary guildhalls can be found in the ruling city of each other diocese (Falsridge, Grayington, Kempton, Lorrish, Valkurl, and Whitehale). Other supporters and instructors may be found over all of Veluna – there are taverns, inns, way stations, and homes of those friendly to performers; also members and alumnae that have made their homes in out-of-the-way locations.
